FOREWORD

WE PRESENT this Yearbook to the Seniors to keep as a remembrance of their high school years—to remind them of some of the most happy, carefree days they will ever have; of the faithful, steadfast friends they have made; of the richness of experience and the deep understanding they have found in teachers. Also, we have tried to give a picture of high school life with its classes, its activities, and the accomplishments of our fellow students.

DEDICATION

In loving memory of JACK AGEN we, the Junior Class of 1942, dedicate this Yearbook in tribute to the willing, faithful and friendly service he contributed to his class and school.

ALMA MATER

Hail to thee, O Sons of Whitesboro,
 We have a trust to keep;
 The love of Whitesboro High School
 And her high ideals to seek.
 Loyalty is for the blue,
 And the white means honor bright;
 So we'll all stand true forever
 To the Royal Blue and White.

Through the four long years of high school,
 'Midst the scenes we love so well;
 We have struggled on and upward
 'Till we've reached the goal ideal.
 Whitesboro High, we'll ne'er forget you,
 You will always loom so bright;
 And we'll always stand defender
 For the Royal Blue and White.

When we're launched on life's great journey,
 And we come to toil and care;
 We will think of dear old Whitesboro
 And the morals we learned there.
 We'll uphold her fine ideals,
 And we'll represent the right;
 Be right, be square, be true, be fair
 To the Royal Blue and White!

CLASS HISTORY

FRESHMAN YEAR

Now that we look back, a lump forms in our throats as we think of the four full years we are leaving behind. We think of that happy September day in 1937 when we set out with our heads held high and a confident gleam in our young, but inexperienced eyes. We remember how we set out with visions of the great fun we would have.

But the degree of fun we were to have soon became doubtful when we were called "green" Freshmen and had to stand the brunt of the many jokes and pranks of the "higher ups". However, we noticed with great self-satisfaction how these upperclassmen attended our dances and roller skating parties.

The greatest thrill of all, though, came when we moved from the old Main Street school into the great new Whitesboro Central School. Some freshmen became rather discouraged, for after just having learned how to find their way about the old school they were blithely notified that we were moving to a school which was so large that the old school could be placed in its auditorium alone. We were all quite awed with the magnificence of the new school, with its long main corridor, its huge gym and beautiful auditorium. The new school inspired us beyond words and we truly hope that we have been worthy of the splendid advantages it has given us.

SOPHOMORE YEAR

Who?—Sophomores.

When?—1938-39.

Where?—Whitesboro Central School.

Why?—At last we became Sophomores and an air of superiority over the freshmen came along with us. A period of inactivity existed, but we still had plenty of time to make school history. Our staff of officers led an idle life without a worry throughout the term. We were yet too young to get started and eagerly awaited our Junior Year to get into the social whirl and do "big things".

WHITESBORO'S '41 CLASS HOLDS REUNION

120 Members of a Decade Ago Hold A Gathering

Ten years ago today, the sixth annual commencement was held in the auditorium of the Whitesboro Central School; 118 students were graduated and all but two were present at this reunion. Those members were *John Tine*, who is a foreign correspondent in Europe, and *Donald Fletcher*, who was unable to leave his prosperous sugar plantation in Puerto Rico. A banquet was held after the gathering, where the class president, *John Lubey*, now president of the national broadcasting system and an artist in his own right, welcomed his classmates. Other after-dinner speakers which Toastmaster *John Lubey* introduced were *Jock Hughes*, one of New York's most promising young lawyers, and *Harold Drinkwater*, who conducted an open house debate on the world situation. They say his flare for arguing developed way back in Mr. Hollister's 4th period history class. At night a formal dance was held and *Joe Martell's* dance orchestra furnished the music. His orchestra is currently playing at Hotel Savoy in New

York. Prominent members of his band are *Karl Speitel*, *John Hughes* and *Bob Schug*. The following day, the Class of '41 departed, just as they had done ten years ago after they received their diplomas.

Snyder New Brigadier General

At 11:00 A.M., E.S.T., today, the President of the United States appointed *Harold Snyder*, a former resident of Whitesboro, to the post of Brigadier-General of the United States Army. For 14 years he served Uncle Sam and during that time he has steadily increased in rank.

At the age of 18 he enlisted in the Army and saw 3 years of Signal Corps service, mostly in the Philippines. When his enlistment period expired, he decided that his discontinued high school course should be resumed.

Then in June, 1941, after 2 years of hard work, doubly hard because of his being away from it so long, he succeeded in graduating with his class and earning his prized diploma.

For ten years now, he has been back in the army, working steadily and quickly upward, and now can be said to be the youngest man ever to hold that position.

Senator Christ Disproves Bill

by

GEORGE MILLSON

Heated discussion on the bill proposed by Democratic Senator *William Kauth* from Montana was carried on today in the Senate. Senator *Christ* (R.-N.Y.) said he would even resort to filibustering to prevent passage of this measure. This bill was passed in the House, due to the efforts of Representative *Raymond Zimmer* (D.-Texas). The Speaker of the House, *Frank Kipers*, disproved of the bill. Definite results will come from the Senate floor next week.

Sextette of American Air Pilots Joins R.A.F.

Six recent graduates of New Jersey's Aviation School joined the ranks of England's Royal Air Force. They are *Edward Wheeler*, *Michael Green*, *Bob Vincent*, *Sam Tanuary*, *Alex Sadlik*, and *Bob Lynch*, all formerly of Whitesboro.

Miss *Shirley Weston* has recently been named the 9th best woman dresser in the U. S. She well deserves this honor in return for those laborious hours spent studying Home Economics in High School.

Marion Darling, the Metropolitan Opera critic, has just returned from a week-end in New York.

CLASS HISTORY

JUNIOR YEAR

Who?—The Junior Class.

Where?—In Whitesboro Central School; rooms 26, 27 and 28.

When?—The year of 1939 and 1940.

Why?—As it is plain to see, we Juniors ambled quietly and happily through our Freshman and Sophomore years. Due mostly, I suspect, to our self-consciousness and fear of the higher classmen. But we faced our Junior year with a determined look on our faces. We resolved to fill this year to the brim with good times. We started off with a "bang" by having a number of roller skating parties. Not satisfied with that, we sponsored several Junior dances in both the old and the new school. Our one big event was the Junior Prom. When we had finished with the decorations for that it looked as if the Queen Mary had anchored in our gym for the evening. We were mighty proud of the job we did on that. When the excitement of the Prom had settled down, we felt satisfied and went back into our shells; but for one last fling we had the Junior picnic. Many Juniors will remember that, and not only because of the sunburns and stomachaches suffered afterward. We finally closed the door on our Junior year content with the successful entrance we had made into social activities, and turned to face what the Senior year had in store for us.

SENIOR YEAR

We entered "W.C.S." for our last year in September and spent a week or two showing off to the underclassmen; but when our teachers began giving assignments, we began to wish we were little green Freshmen instead of Seniors.

The year was not far along when we elected our officers who were:

<i>President</i>	JOHN LUBEY
<i>Vice-President</i>	FRANCIS BORONSKI
<i>Secretary</i>	BUCK RANDALL
<i>Treasurer</i>	STEPHANIE LISOWSKI

As we were in the middle of the year and there was not very much in the treasury, we got together and finally decided to raise some by other means than from our own pockets. A few weeks after we were selling nuts. This enterprise was only a drop in the bucket compared to our Senior Play, "June Mad", which drew a full house, showed our histrionic ability, and gave us some funds. With our treasury finally established we decided to build on to it, so we held a dance which was only a success socially. One of our greatest money-making schemes was our magazine subscription sale. From house to house we trudged, leaving enough reading matter behind us to keep the town interested for another year. With the approach of June we are all looking forward to graduation, but we still have a place in our memory for all our memories of four long years at W.C.S.

THE WHITESBORO VARSITY TEAM, coached by Allan Frye and captained by Dick Misiaszek, captured the championship of the 1941 Central Oneida League. Although the players were lighter than most of their opponents, they constituted a fast and aggressive team. Because of a tie between Whitesboro and Utica Free Academy for first in the league, a play-off game was played, giving Whitesboro the title by a score of 25 to 23. Captain Misiaszek was high scorer of the year with 130 points to his credit. Letters have been earned by Misiaszek, Gerald Yerdon, Wilfred Emery, George Hill, Arthur Christ, Donald Lathers, Stanley Wilski, and David Waddell.

Here are the scores of the fifteen league games:

Whitesboro	75	New Hartford	27
"	27	U.F.A.	20

HISTORY OF THE MUSIC DEPARTMENT

THE THREE MAIN ORGANIZATIONS of the Music Department, namely, the Concert Band, Concert Orchestra and Senior Choir, under the direction of Mr. William A. Schnell, have done some outstanding work this year.

A marching band composed entirely of boys, with Drum Majorette Virginia McBride, made a weekly appearance at the football games in the Fall. Then in November the Concert Band of sixty-seven pieces took first place at the Eisteddfod held in the Proctor High School Auditorium. Their reward was a silver cup and fifty dollars. On February 20 their first concert of the season was given, featuring several original compositions by Mr. Schnell, members of the Faculty and Dorothy Cook, a student conductor. Aside from playing at basketball games and providing the music at various other programs, the band's greatest achievements have been those just mentioned and its main activities for the year were terminated with the Memorial Day parade.

The Concert Orchestra has played programs at several Parent-Teachers' Association meetings, including a concert in November. Then on March 21, at Ilion High School, the group received the highest rating given any orchestra, a one minus, which made them eligible to compete in the State Concert at Syracuse. They, too, have played at many entertainments during the year and as usual will be on hand to play the march for Commencement Exercises when the Class of '41 will say "Good-bye" to Whitesboro Central School.

The Senior Choir also participated in the Eisteddfod at Proctor, but their main event of the year was the presentation of the sacred cantata, "The Christ Child", which was given in assembly and at the December Parent-Teachers' Association meeting. The effective lighting played an important part in making the cantata very impressive and eight solos were beautifully rendered by members of the choir. At the Ilion Sectional Contest a rating of two plus was given to this deserving group, which has shown a marked improvement over last year. Their final appearance was made in May when they entertained the Parent-Teachers' Association members with a varied program of vocal music.

This history would not be complete without giving due credit to the Junior organizations under the direction of Mr. Sautter and Mr. Paskevich, who are diligently working to produce musicians who can competently replace the members of Senior organizations who are leaving each June. We are especially proud of Mr. Paskevich's Junior High Band which, upon entering the Sectional Contest at Ilion this year for the first time, received the excellent rating of one minus.

Every year there have been an increasing number of soloists who have brought to Whitesboro "top" honors from the annual contests. To them we extend hearty congratulations and also to the ensembles such as the Boys' Quartet and Girls' Sextet under the leadership of Mrs. Schnell and to the Grade School Violin Quartet trained by Mr. Paskevich, all of which rated eligibility to enter the National Contests.

This section of our Annual is recognition in a very small way of the excellent work the entire Music Department has put forth during 1940 and 1941. To each member of this group we owe a debt of gratitude, and to Mr. Schnell and other members of the Music Department Faculty we wish the Best, so that in the future these organizations which play such a large part in our school life may be as progressive and self-surpassing as they have been in the past.

DEMOCRACY IN ACTION

AT THE TIME of the Willkie-Roosevelt election, many school children were managing enthusiastic campaigns right in school. Proudly displaying a button for the candidate of his choice, each of these citizens of tomorrow had a definite opinion, and the main topic of every discussion was of a political nature. Radio speeches, posters, campaign literature, and excited debates predominated everything else for a week. Voting was done on real voting machines, and anyone who had not registered in advance was deprived of his privilege. Another presidential election will find many of these same people casting real votes, and they'll know all about it—from experience.
